Paying your plan premium

PPO: You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) by mail or an automatic withdrawal from your bank account each month. **You can also choose to pay your premium by having it automatically taken out of your Social Security or Railroad Retirement Board (RRB) benefit each month. If you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium.** The amount is usually taken out of your Social Security benefit, or you may get a bill from Medicare (or the RRB). **DON'T** pay Blue Cross and Blue Shield of Nebraska the Part D-IRMAA.

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we'll bill you for the amount that Medicare doesn't cover.

If you don't select a payment option, you'll get a bill each month. We encourage you to choose automatic deductions so you don't have to receive a monthly statement or write a check.

You should know that Social Security LIMITS the automatic deduction amount allowed from your benefit check. If you select a plan with a monthly premium over the Social Security limit, the premium can't be taken out of your Social Security check. Instead you must pay your premium directly to us, including any unpaid premiums. Please understand that it may take up to three months for SSA deductions to start. Any unpaid premiums will be billed directly to you.

Please select a premium payment option:

Automatic withdrawal from your bank account each month. Please allow up to 60 days to process your request. Please pay any premium bill you may receive while your request is processing. Future monthly premiums will be automatically withdrawn from your specified account on the first day of each month or next business day.

Please enclose a VOIDED check or provide the following:

Account holder name: _____

Bank routing number: _____

(first set of numbers located on left side of check)

Bank account number: _____

(second set of numbers located in the center of check)

Account type: Checking Savings

Get a monthly bill.

Paying your plan premium (continued)

Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check.
I get monthly benefits from: Social Security RRB

(The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.)
