How to Search for In-network Providers

- 1 Go to [NebraskaBlue.com/Find-A-Doctor](https://www.NebraskaBlue.com/Find-A-Doctor) and select **Search as a Guest**.

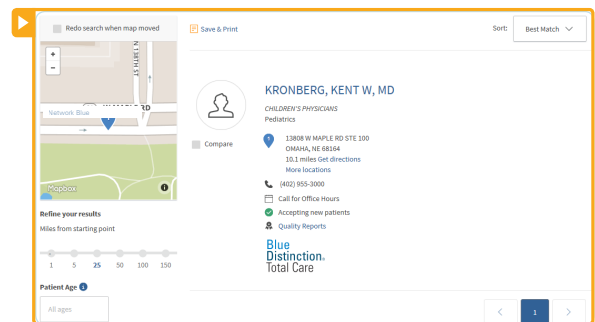

- 2 Enter the network name* by selecting **All Networks > Find a different network > Browse a list of networks**. Then, select the network from the **Available networks** list and confirm your selection. The network name will appear in the top right corner of your screen.

- 3 Select **Doctors by name, Doctors by specialty, Places by name or Places by type** and **enter what you're searching for**. (You may expand or fine-tune your search by selecting **Search all** or **Advanced search**.)

- 4 Your search results will look similar to the below.

Members should refer to their BCBSNE member ID card if they do not know their network name.

Examples are for illustrative purposes only. Search results can be customized as needed.

Blue Cross and Blue Shield of Nebraska is an independent licensee of the Blue Cross and Blue Shield Association. 92-163 (11-12-19)

Know Before You Go

Members may also find in-network providers and cost information for various health care services by logging in to their online member resource center at [myNebraskaBlue.com](https://www.myNebraskaBlue.com). Their network will display when they log in to their account.
