INTRODUCTION

Welcome

This document is your Summary Plan Description (SPD). It describes the benefits, exclusions and limitations of your Plan in a general way, and is not, and should not be considered a contract.

Your Group Dental Plan is administered in accordance with the Administrative Services Agreement between the Group and Blue Cross and Blue Shield of Nebraska (BCBSNE), an independent licensee of the Blue Cross and Blue Shield Association. The Administrative Services Agreement and official Plan documents control the coverage for your Group.

NOTE: BCBSNE provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims. BCBSNE liability may occur only under a stop loss provision, as set forth in the Administrative Services Agreement.

How To Use This Document

For your convenience, defined terms are capitalized throughout this document. For an explanation of a defined term, refer to the Section titled "Definitions."

Please take some time to read this document and become familiar with it. As you read this document you will find that many sections are related to other sections of the document. You may not have all the information you need by reading just one section. We encourage you to review the benefits and limitations by reading the Schedule of Benefits Summary and the section titled "Exclusions."

If you have questions about your coverage or a claim, please contact BCBSNE Member Services Department at the number shown on your identification card.

About Your I.D. Card

BCBSNE will issue you an identification card (I.D. card). Your I.D. number is a unique alpha numeric combination.

Present your I.D. Card to your dental provider when you receive Services. With your BCBSNE I.D. card, most dentists and physicians can identify your coverage and will usually submit their claims for you.

If you want extra cards for covered family members or need to replace a lost card, please contact BCBSNE Member Services Department, or you may access through the website, NebraskaBlue.com.

Schedule Of Benefits

Your Schedule of Benefits is a personalized document sent by BCBSNE that provides you with a basic description of your coverage. It also shows the membership option that applies to you.

The Schedule of Benefits Summary is included in this SPD. It includes information concerning Deductible and Coinsurance amounts, benefit limits, and coverage details. For information which may be unique to your coverage, please refer to the Schedule of Benefits Summary.

THE DENTAL PLAN AND HOW IT WORKS

Section 1

About The Plan

This Group Dental Plan is a Preferred Provider Organization (PPO) dental benefit plan. Claims administration is provided by Blue Cross and Blue Shield of Nebraska (BCBSNE).

BCBSNE has contracted with a panel of Dentists and Physicians to establish a network of Providers who have agreed to furnish services to you and your family in a manner that will help manage costs. These providers are referred to as "In-network Providers."

Use of the network is voluntary, but you should be aware that when you choose to use providers who do not participate in the network, you can expect to pay more than your applicable Deductible and/or Coinsurance. After this dental plan pays its required portion of the bill, Out-of-network Providers may bill you for any amount not paid. This balance billing does not happen when you use In-network Providers because these providers have agreed to accept a discounted payment for services with no additional billing to you other than your applicable Deductible and/or Coinsurance. In-network Providers will also file claims for you.

If the Out-of-network Dentist is participating with us under another BCBSNE program, payment will be made pursuant to that particular program. The Dentist will be reimbursed based on the lower of the Out-of-network Allowance or billed charges. After this plan pays its liability, you can expect to pay your applicable Out-of-network Deductible and/or Coinsurance. You will also be responsible for payment of any Noncovered Services.

How the Network Works

Using Network Providers:

- Receive highest level of benefits
- Provider files claims for you
- Provider accepts insurance payment as payment in full (except Deductible and /or Coinsurance amounts)
- No balance billing

Using Out-of-network Providers:

- You may be required to pay full cost at time of service
- You may be reimbursed at a lower benefit level
- You may have to file claims
- You're responsible for amounts that exceed the Allowable Charge

Be Informed

Out-of-network Providers' charges may be higher than the benefit amount allowed by this dental plan. You may contact BCBSNE Member Services Department concerning allowable benefit amounts in Nebraska for specific dental procedures.

Categories Of Dental Coverage

There are five major categories of dental coverage. Your dental coverage is dependent upon which types of coverage your employer has chosen for your group dental plan. The types of dental coverage that you are enrolled under are indicated on your Schedule of Benefits Summary.

The five categories of dental coverage are:

- Coverage A (Preventive and Diagnostic Dentistry)
- Coverage B (Maintenance and Simple Restorative Dentistry, Oral Surgery, Periodontic and Endodontic Services)
- Coverage C (Complex Restorative Dentistry)
- Coverage D (Orthodontic Dentistry)
- Coverage E (Temporomandibular [Jaw] Joint Diagnosis and Treatment)

These categories are described in more detail on your Schedule of Benefits Summary.

The dental benefits available to you work together to provide your dental care program. How benefits are provided depends on whether the dental service or treatment falls under Type A, B, C, D or E coverage.

How The Plan Components Work

Your Deductible and Coinsurance are shown on your Schedule of Benefits Summary. The following includes an explanation of each of those components.

Allowable Charge – An amount BCBSNE uses to calculate the payment of Covered Services. This amount will be based on either the Contracted Amount for In-network Providers or the Out-of-network Allowance for Out-of-network Providers.

Coinsurance – This is the percentage you must pay for Covered Services, after any applicable Deductible.

Deductible – You are responsible for certain expenses until you reach the Plan's Deductible, as shown on your Schedule of Benefits Summary. After the Deductible is met, benefits for Covered Services will not be subject to any further Deductible for the rest of that Benefit Year.

Maximum Benefits – Your Schedule of Benefits Summary will tell you if you have a benefit maximum for one or more types of dental coverage and/or an overall dollar maximum benefit for one or more types of dental coverage.

Not Medically Necessary Services – Benefits are available under this dental plan for Medically Necessary Services. Services provided by all providers are subject to review by BCBSNE. Services will not automatically be considered Medically Necessary because they have been ordered or provided by a Dentist or Physician. BCBSNE will determine whether Services provided are Medically Necessary under the terms of the Group Dental Plan, and whether benefits are available. When an In-network Provider is used, you are not responsible for Services determined to be not Medically Necessary. When Out-of-network Providers are used, you will be responsible for Services determined to be not Medically Necessary.

Preauthorization – Procedures intended to determine if Services or supplies are appropriate according to the terms of the Group Dental Plan. If Preauthorization is required for certain Services, it will be shown on your Schedule of Benefits or stated in this SPD. A Dentist or Physician may also submit a Preauthorization request to obtain a pre-treatment estimate of benefits.

Written requests for Preauthorization should be submitted to the address on the back of your I.D. card. Preauthorization does not guarantee payment, all other Plan provisions apply, for example cost-sharing, eligibility and exclusions.

If Services are not properly Preauthorized by BCBSNE, when required, benefits may be reduced and/or you may be responsible for unanticipated costs associated with the incurred expenses.

Limited Extension of Dental Benefits

(Applicable to Dental Coverage Types B, C and D)

- the end of the 30-day extension period; or
- the date the person becomes eligible for such services under another Group Dental Plan.

Please check with your employer regarding whether this limited extension of benefits is available to you.

ELIGIBILITY AND ENROLLMENT

Section 4

Your employer determines eligibility requirements and validates eligibility for enrollment and coverage under the dental Plan. For additional information not found in this Summary Plan Description, please contact your employer.

Who's Eligible

To be eligible for coverage, you must apply within 31 days of the date of hire. Coverage will be effective on the first day of the month following your date of hire or eligibility. Coverage for Employees hired on the first day of the month will be effective on the first day of the month. Coverage for Employees hired on the first working day of the month will be effective on the actual date of hire.

Retiree Eligibility

An eligible Employee who is covered under this Plan and who retires under the employer's formal retirement criteria will be eligible to continue participating in the Plan upon retirement, provided the individual continues to make the required contribution. See the Coordination of Benefits section for more information on how this Plan coordinates with Medicare coverage. Retirees may continue coverage under this Plan until death or the last day of the month in which the Retiree ceases to make the required premium contribution when due.

Initial Enrollment

Subscribers and dependents must enroll within 31 days of their initial eligibility or late enrollment provisions may apply.

NOTE: If two eligible persons in the same employer group are married to each other, each person and/or their Eligible Dependents may not enroll under more than one membership unit. Also, if two eligible persons have a parent/child relationship and both are employed by the same employer Group, the parent and child may elect to enroll either as two employees, or the parent may enroll as an employee with dependent coverage.

Special Enrollment

A special enrollment period of 60 days is allowed for newborns and a special enrollment period of 31 days is allowed for:

- enrollment of eligible persons due to marriage, adoption or placement for adoption;
- enrollment of eligible persons not previously covered under this plan due to having had other coverage at the time it was previously offered, and who have lost that other coverage due to:
 - exhaustion of COBRA continuation coverage; or
 - a loss of eligibility, including loss due to death, divorce, legal separation, termination of employment or reduction in hours, or due to the plan no longer offering benefits to the class of individuals that includes the person (when the other coverage was not COBRA); or
- moving out of the service area of an HMO or other arrangement that only provides benefits to individuals who reside, live or work in the service area; or
- the lifetime limit on all benefits is exhausted; or
- the employer ceasing to make contribution for the other coverage (when the other coverage was not COBRA).

A special enrollment period of 60 days is allowed for:

- Enrollment of eligible persons who were covered under Medicaid or State Child Health Insurance Program (SCHIP), which has been terminated due to loss of eligibility.
- Enrollment of eligible persons who have become eligible for premium assistance for this group health plan coverage under Medicaid or SCHIP.

The Subscriber must enroll (or already be enrolled) in order to enroll his or her dependents in this plan. In the case of a marriage, birth or adoption, a Subscriber who is eligible, but who has not previously enrolled, may enroll at this time with or without the newly Eligible Dependent. Likewise an otherwise Eligible Dependent who has not previously enrolled, may enroll as a Special Enrollee with or without a new dependent child. Please contact your Human Resource Department for additional information.

Dental Late Enrollment

Employees and dependents whose dental enrollment forms are not received within 31 days of their eligibility, are considered "late enrollees." A late enrollee is not eligible to apply for dental coverage until the next Annual Enrollment Month which follows the employee's eligibility date, unless BCBSNE approves a special enrollment period. A person who enrolls for coverage during a "special enrollment period" is not considered a "late enrollee."

Adding A Dependent

Dependents cannot enroll unless you, the eligible employee, are covered under the Plan. In order to add a dependent, he or she must meet the definition of an Eligible Dependent. Please contact your Human Resources Department for enrollment information and instructions.

Effective Date of Coverage

Provided that an appropriate membership option is in place and, if applicable, any additional premium is paid, the effective date of coverage will be as follows:

Marriage: The effective date of coverage will be the first of the month following the marriage, provided the request for enrollment is made within 31 days of the marriage.

Newborn Children: Coverage will begin at birth for your newborn child for a period of 31 days. To continue coverage, you must enroll the child within 60 days. If your spouse was not enrolled at the time of the child's birth, he or she may also enroll within 31-days, and the effective date will be the date of the child's birth.

For additional information on adding newborn children, please contact your Human Resource Department.

Adopted Children: Coverage for an adopted child will be effective on the earlier of the date the child is placed with you for adoption, or the date a court order grants custody to you. You must enroll the child within 31 days of the placement or custody order. If your spouse was not enrolled at the time of the adoption, he or she may also enroll within this 31-day period, and the effective date of coverage will be the date of the placement/adoption.

Loss of Other Coverage: The effective date of coverage for persons enrolling as a special enrollee following a loss of other coverage will be no later than the first day of the month following the loss of other coverage.

Qualified Medical Child Support Orders (QMCSO)

A QMCSO is a court order that requires an employee to provide medical coverage for his or her children (called alternate recipients) in situations involving divorce, legal separation or paternity disputes. The order may direct the Group Dental Plan to enroll the child(ren), and also creates a right for the alternate recipient to receive plan information, submit claims and receive benefits for services.

QMCSOs are specifically defined under the law, and are required to include certain information in order to be considered "qualified." A National Medical Support Notice received by the employer or Group Dental Plan from a state agency, regarding coverage for a child, will also be treated as a QMCSO. The Plan Administrator or its designee, will review

the Order or Notice to determine whether it is qualified, and make a coverage determination. The Plan Administrator or its designee will notify affected employees and the alternate recipient(s) if a QMCSO is received.

You have the right to request a copy of the Group Dental Plan's procedures governing QMCSO determinations from the Plan Administrator, at no charge.

Active Employees Age 65 And Over

Federal law affects the way employers provide coverage to eligible active employees and their spouses who are 65 and over. These active employees and their spouses ages 65 and over may elect to continue full benefits under the employer group benefit plan or choose Medicare as their primary coverage. If the group plan is elected as the primary carrier (the plan which pays first), Medicare becomes the secondary coverage. If Medicare is elected as the primary carrier, coverage under the group plan, including dental coverage, will be terminated.

Family Medical Leave Act (FMLA)

The Family Medical Leave Act of 1993, as amended, requires that subject to certain limitations, most employers of 50 or more persons must offer continued coverage to eligible employees and their covered dependents, while the employee is on an approved FMLA leave of absence. In addition, an employee who has terminated his/her group dental coverage while on an approved FMLA leave is entitled to reenroll for group dental coverage upon return to work. Please check with your employer for details regarding your eligibility under FMLA.

If You Receive Covered Services From An In-network Provider

Contracting Providers and many other Dentists and Physicians will file the Claim to BCBSNE on your behalf. When BCBSNE receives a Claim from a Contracting Provider, payment will be made directly to that Provider, unless otherwise provided by state or federal law. You are responsible for meeting any applicable Deductible and Coinsurance amounts. You may be asked to pay amounts that are your liability at the time of service, or the provider may bill you for those amounts.

Filing A Claim

You must file your own claim if your dental care provider is not a Contracting Provider and does not file for you. You can obtain a claim form by contacting BCBSNE's Member Services Department, or you can find a form on the website: NebraskaBlue.com.

All submitted claims must include:

- correct I.D. number, including the alpha prefix;
- name of patient;
- the exact date and time of an accident (if applicable) and whether or not it occurred at work.;
- the original, itemized dental bill, including the date of service, description and charge for the service;
- complete name, address and credentials (DDS, MD) of the provider;
- the name and identification number of other insurance; and
- the primary plan's explanation of benefits (EOB), if applicable.

Claims cannot be processed if they are incomplete, and may be denied for "lack of information" if required information is not received.

Claims should be filed as soon as possible after services are provided. If a claim is not filed within the claim filing limit (normally within 15 months of the date of service), benefits will not be allowed. Claims, including revisions, that are not filed by a BCBSNE In-network Provider prior to the claim filing limit, will become the provider's liability.

Claim forms should be sent to:

Blue Cross and Blue Shield of Nebraska
P.O. Box 3248
Omaha, Nebraska 68180-0001

If you need assistance with filing your claim, please contact BCBSNE's Member Services Department.

Payment Of Benefits For Non-Contracting Provider Claims

Payment will be made, at BCBSNE's option, to the Covered Person, to his or her estate, to the provider or as required by state or federal law. Benefits may also be paid to an alternate recipient or custodial parent, if pursuant to a QMCSO.

No assignment, whether made before or after Services are provided, of any amount payable according to this group benefit plan shall be recognized or accepted as binding upon BCBSNE, unless otherwise provided by state or federal law.

Right to Amend Provider Agreements Or Benefit Payment Procedures

Agreements with health or dental care providers may be changed or terminated, and benefit payments to In-network Providers may be altered. Benefit payments may be calculated on a charge basis, a Contracted Amount or similar charge, global fee basis, through a Preferred Provider Organization, or in any other manner agreed upon by BCBSNE or the On-site Plan and the provider. However, any payment method agreed upon will not affect the method of calculating the Deductible and Coinsurance.

Claim Determinations

A "Claim" may be classified as a "Preservice" or "PostsERVICE".

Preservice Claims — In some cases, under the terms of the Group Dental Plan, the Covered Person is required to Preauthorize benefits in advance of a Service being provided, or benefits for the Service may be reduced or denied. This required request for a benefit is a "Preservice" Claim." Preservice Claim determinations that are not Urgent Care Claims will be made with 15 calendar days of receipt, unless an extension is needed to obtain necessary information. If additional information is requested, the Covered Person or his or her provider may be given up to 45 calendar days from receipt of notice to submit the specified information. A Claim determination will be made within 15 days of receipt of the information, or the end of the 45 day extension period.

Urgent Care — If your Preservice Claim is one for Urgent Care, the determination will be made within 72 hours of receipt of the claim, unless further information is needed. If additional information is necessary, the Covered Person or his or her provider will be given no less than 48 hours to provide the specified information. Notification of the decision will be provided not later than 48 hours after the earlier of: our receipt of the information, or the end of the period allowed to submit the information.

Postservice Claims — A Postservice Claim is any Claim that is not a Preservice Claim. In most cases, a Postservice Claim is a request for benefits or reimbursement of expenses for medical care that has been provided to a Covered Person. The instructions for filing a Postservice Claim are outlined earlier in this section. Upon receipt of a completed claim form, a Postservice Claim will be processed within 30 days, unless additional information is needed. If additional information is requested, the Covered Person may be given not less than 45 days to submit the necessary information. A Claim determination will be made within 15 days of receipt of the information, or the expiration of the 45-day extension period. You will receive an EOB when a Claim is processed which explains the manner in which your claim was handled.

Concurrent Care — If you request to extend a course of treatment beyond the care previously approved and it involves urgent care, a decision will be made within 24 hours of the request, if you submitted the request at least 24 hours before the course of treatment expires. In all other cases, the request for an extension will be decided as appropriate for a Preservice and Postservice Claims.

Explanation Of Benefits

Every time a claim is processed for you, an Explanation of Benefits (EOB) form will be sent. The front page of the EOB provides you with a summary of the payment including:

- the patient's name and the claim number.
- the name of the individual or institution that was paid for the service.
- the total charge associated with the claim.
- the covered amount.
- any amount previously processed by this plan, or another insurance company.
- the amount(s) that you are responsible to pay the Provider.
- the total Deductible, Coinsurance that you have accumulated to date.
- other general messages.

A more detailed breakdown of the charges including provider discounts, amount paid and cost sharing amounts (e.g. noncovered charges, Deductible, Coinsurance and Copays) are shown on the back of your EOB.

Also included on your EOB is information regarding your right to appeal a benefit determination, or request additional information.

Save your EOBs in the event that you need them for other insurance or for tax purposes.

APPEAL PROCEDURES

Section 6

BCBSNE has the discretionary authority to determine eligibility for benefits under the dental Plan, and to construe and interpret the terms of the Plan, consistent with the terms of the Administrative Services Agreement and associated plan document.

You have the right to seek and obtain a review of “adverse benefit determinations” arising under the Plan.

Appeal Procedure Definitions

Adverse Benefit Determination: A determination by BCBSNE or its Utilization Review designee, of the denial, reduction, or termination of a benefit, or a failure to provide or make payment (in whole or in part) of a benefit. This includes any such determination that is based on:

- the application of Utilization Review;
- a determination that the Service is Investigative;
- a determination that the Service is not Medically Necessary or appropriate;
- an individual’s eligibility for coverage or to participate in a plan.

An Adverse Benefit Determination also includes any rescission of coverage, which is defined as a cancellation or discontinuance of coverage that has a retroactive effect, except if for failure to timely pay required premiums or contribution for coverage.

Final Internal Adverse Benefit Determination: An Adverse Benefit Determination that has been upheld by BCBSNE, or its Utilization Review designee, at the completion of the internal appeal process as described in this document.

Preservice Claim(s): Any Claim for a benefit under the Plan with respect to which the terms of the Contract require approval of the benefit in advance of obtaining medical care, and failure to do so will cause benefits to be denied or reduced.

Postservice Claim(s): Any Claim that is not a Preservice Claim.

Urgent Care Claim: A Claim for medical care or treatment for which the application of the time periods for making non-urgent care determinations:

- could seriously jeopardize the life or health of the Covered Person or the ability of the Covered Person to regain maximum function; or
- would subject the Covered Person to severe pain that cannot be adequately managed without the care or treatment that is the subject of the Claim.

How To Appeal An Adverse Benefit Determination

A Covered Person or a person acting on his/her behalf (the “claimant”) is entitled to an opportunity to appeal initial or final Adverse Benefit Determinations.

Internal Appeal

A request for an internal appeal must be submitted within 6 months of the date the Claim was processed, or Adverse Benefit Determination was made. The written request should state that it is a request for an appeal and, if possible, include a copy of the Explanation of Benefits (EOB). The appeal should also include:

- the name of the person submitting the appeal and his/her relationship to the patient;
- the reason for the appeal;
- any information that might help resolve the issue; and
- the date of service/Claim.

The written appeal should be sent to:

Blue Cross and Blue Shield of Nebraska
P.O. Box 3248
Omaha, Nebraska 68180-0001

BCBSNE will provide the claimant a notice of receipt of the request within 3 days. The notice will include the name, address and telephone number of a person to contact regarding coordination of the review. The claimant does not have the right to attend the appeal review, but may submit additional information or comments for consideration.

Preservice or Postservice Claim Appeal: A written notice of the appeal determination will be provided to the claimant as follows:

- for Preservice Claims (other than Urgent Care), within 15 calendar days after receipt.
- for Postservice Claims involving an Adverse Benefit Determination based on Medical Necessity, Investigative determination or utilization review, within 15 calendar days after receipt.
- for all other Postservice Claims, within 15 calendar days after receipt, unless additional time is needed and written notice is provided on or before the 15th day, in which case the decision will be provided within 30 calendar days after receipt.

The decision made pursuant to this appeal will be considered a Final Internal Adverse Benefit Determination.

Expedited Appeal: When the appeal is related to an Urgent Care Claim, an expedited appeal may be requested in writing or orally. All information, including the decision, will be submitted by the most expeditious method available. BCBSNE will make an expedited review decision within 72 hours after the appeal is received. Written notification of the decision will be sent within the 72-hour period.

Concurrent Care denials must be appealed within 24 hours of the denial. A Concurrent Care denial will be handled as an expedited appeal. If the appeal is requested within the 24-hour time period, coverage will continue for services pending notification of the review decision.

NOTE: When an adverse appeal determination involves medical judgment, upon receipt of a written request, the identity of the professionals who reviewed the appeal will be provided to the claimant.

Rights To Documentation

You have the right to have access to, and request copies of the documentation relevant to the claim and Adverse Benefit Determination(s), including any new evidence or rationale considered or relied upon in connection with the claim on review. In addition, supporting material or additional comments may be submitted by the claimant for consideration during the appeal process.

COORDINATION OF BENEFITS

Section 7

When You Have Coverage Under More Than One Plan

This Plan includes a Coordination of Benefits (COB) provision. COB provisions apply when a Covered Person has coverage under more than one health Plan. This provision establishes a uniform order in which the Plans pay their Claims, limits the duplication of benefits, and provides for transfer of information between the Plans.

The order of benefit determination rules described in this section determine which Plan will pay as the primary Plan without regard to any benefits that might be payable by another Plan.

Definitions

For the purpose of this section, the terms are defined as:

Allowable Expense: A health care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable Expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a Covered Person is not an Allowable Expense.

The amount of any benefit reduction by the Primary Plan because a Covered Person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of Plan provisions include second surgical options, pre authorization of admissions, and preferred provider arrangements.

Closed Panel Plan: A Plan that provides health care benefits to covered persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

Custodial Parent: The parent awarded custody by a court decree or, in the absence of a court decree, the parent with whom the child resides more than one half of the calendar year excluding temporary visitation.

Plan: As used in this section, any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts.

a. Plan includes: group and nongroup insurance contracts and subscriber contracts, health maintenance organization (HMO) contracts, Closed Panel Plans; other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits coverage in automobile "no-fault" and traditional "fault" type contracts; group and nongroup insurance contracts and subscriber contracts that pay or reimburse for the cost of dental care; and Medicare or any other federal governmental Plan, as permitted by law.

b. Plan does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage other than the medical benefits coverage in automobile "no fault" and traditional "fault" contracts; specified disease or specified accident coverage; limited benefit health coverage, as defined in state law; school accident coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; and coverage under other federal governmental Plans, unless permitted by law.

Each contract for coverage under a. or b. is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

Primary Plan: The Plan that will determine payment for its benefits first before those of any other Plan without considering any other Plan's benefits.

Secondary Plan: The Plan that will determine its benefits after those of another Plan and may reduce the benefits so that all Plan benefits do not exceed 100% of the total Allowable Expense.

This Plan: The part of the contract providing health care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

Order Of Benefit Determination Rules

1. The Primary Plan pays or provides its benefits according to its terms or coverage and without regard to the benefits under any other Plan.
2. A Plan that does not contain a coordination of benefits provision that is consistent with this Part is always primary unless the provisions of both Plans stated that the complying Plan is primary.
3. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.
4. Each Plan determines its order of benefits using the first of the following rules that apply:

Subscriber And Dependent: The Plan that covers the person as other than a dependent, such as a subscriber/policyholder/employee is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent and primary to the Plan covering the person as a subscriber, then the order of benefits between the two Plans is reversed so that the Plan covering the person as a subscriber is the Secondary Plan and the other Plan is the Primary Plan.

Dependent Child Covered Under More Than One Plan: Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:

For a dependent child whose parents are married or are living together, whether or not they have ever been married, the Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan. If both parents have the same birthday, the Plan that has covered the parents the longest is the Primary Plan (birthday rule).

For a dependent child whose parents are divorced, separated or not living together, whether or not they have ever been married, if a court decree states that one of the parents is responsible for the child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. If the parent with responsibility has no health care coverage for the dependent child's health care expenses, but that parent's spouse does, the Plan of that parent's spouse is primary. This rule applies to Plan years beginning after the Plan is given notice of the court decree.

If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the order of benefits shall be determined by the "birthday rule" stated above.

If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the order of benefits shall be determined by the "birthday rule" stated above.

If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:

- the Plan covering the Custodial Parent;
- the Plan covering the spouse of the Custodial Parent;
- the Plan covering the non-custodial parent; and then
- the Plan covering the spouse of the non-custodial parent.

For a dependent child covered under more than one Plan of individuals who are not parents of the child, the above provisions shall apply as if those individuals were the parents.

For an Eligible Dependent child covered under either or both parents' plans and also has his or her own coverage as a dependent under a spouse's plan, the rule below for "Longer or Shorter Length of Coverage" applies. In the event the Eligible Dependent child's coverage under the spouse's plan began on the same date as his or her coverage under the parents' plan(s), the order of benefits shall be determined by applying the "birthday rule" above, to the child's parent(s) and to his or her spouse.

Active Employee, Retired Or Laid-Off Employee: The Plan that covers a person as an active employee, that is, an employee who is neither retired nor laid off, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the first rule (Subscriber and Dependent) can determine the order of benefits.

COBRA Or State Continuation Coverage: If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as a subscriber/member/employee/retiree or covering the person as a dependent of a subscriber/member/employee/retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the first rule (Subscriber and Dependent) can determine the order of benefits.

Longer Or Shorter Length Of Coverage: The Plan that has covered the person longer is the Primary Plan and the Plan that has covered the person the shorter period of time is the Secondary Plan. The start of a new Plan does not include a change in the amount or scope of a Plan's benefits; a change in the entity that pays, provides or administers the Plan's benefits; or a change from one type of Plan to another, such as from a single employer Plan to a multiple employer Plan.

If the above rules do not determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than it would have paid had it been the Primary Plan.

Administration Of Coordination Of Benefits

The order of benefit determination rules govern the order in which each Plan will pay a Claim for benefits. The Plan that pays first is called the Primary Plan. The Plan that pays after the Primary Plan is called the Secondary Plan.

If This Plan is the Primary Plan, there shall be no reduction of benefits. Benefits will be paid without regard to the benefits of any other Plan.

If This Plan is the Secondary Plan, it may reduce its benefits so that the total benefits paid or provided by all Plans for any Claim are not more than the total Allowable Expenses. In determining the amount to be paid for any Claim, the Secondary Plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any Allowable Expense under its Plan that is unpaid by the Primary Plan. The Secondary Plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary Plan, the total benefits

paid or provided by all Plans for the Claim do not exceed the total Allowable Expense for that Claim. In addition, the Secondary Plan shall credit to its Plan Deductible any amounts it would have credited to its Deductible in the absence of other health coverage.

Miscellaneous Provisions

If these COB rules do not specifically address a particular situation, BCBSNE may, at its discretion, rely on the National Association of Insurance Commissioners Coordination of Benefits Model Regulation as an interpretive guide.

To properly administer these COB rules, certain facts are needed. This Plan may obtain or release information to any insurance company, organization or person. Any person who claims benefits under This Plan agrees to furnish the information that may be necessary to apply COB rules and determine benefits.

If another Plan pays benefits that should have been paid under This Plan, this Plan may reimburse the other Plan amounts determined to be necessary. Amounts paid to other Plans in this manner will be considered benefits paid under This Plan and This Plan is released from liability for any such amounts.

If the amount of the benefits paid by This Plan exceeds the amount it should have paid, This Plan has the right to recover any excess from any other insurer, any other organization, or any person to or for whom such amounts were paid, including Covered Persons under This Plan.

WHEN COVERAGE ENDS

Section 8

Termination of Coverage

Coverage under your group plan will terminate for you and/or your dependents on the earliest of the following dates:

- the date the entire Contract is terminated;
- the last day of the month in which your employment terminates;
- the last day of the month in which you cease to be eligible under the health plan; or a dependent ceases to be an Eligible Dependent;
- the last day of the month in which BCBSNE receives a request from you or the employer to terminate coverage for you or a dependent, or the date requested in the notice, if later;
- the last date for which premium is paid;
- another date as specified by your employer;

NOTE: If an employee voluntarily cancels his/her dental coverage, the employee and his/her eligible dependents may not re-enroll for two years from the first month following the date of cancellation.

You and/or your Eligible Dependents may be eligible to continue coverage under the Group Dental Plan as detailed in this section.

Leave of Absence

If You are temporarily absent from work due to an approved leave of absence for medical or other reasons. Your coverage under this Plan will continue during that leave for up to two years, provided the applicable Employee contribution is paid when due.

Continuation Of Coverage Under The Federal Continuation Law

If you terminate your employment, or if a dependent loses coverage due to certain "Qualifying Events", continued coverage under the Group Dental Plan may be available. Payment for continued coverage under the federal continuation law is at the employee's or dependent's own expense. Please contact your employer for details regarding eligibility.

What Is The Federal Continuation Law?

The Consolidated Omnibus Reconciliation Act (COBRA), is a federal law which provides that a Covered Person who would lose coverage due to the occurrence of a "Qualifying Event", may elect to continue coverage under the Group Dental Plan. A person who is eligible to continue coverage is called a "Qualified Beneficiary." A Qualified Beneficiary also includes a child born to, or placed for adoption with the Covered Person during the period of COBRA coverage. Please share the information found in this section with your Eligible Dependents.

NOTE: To protect your rights under COBRA, please keep your employer informed of your current address.

Termination Of Employment Or Reduction In Hours – COBRA provides that if you should lose eligibility for coverage due to:

- voluntary or involuntary termination of employment (other than for gross misconduct) ;
- a lay-off for economic reasons; or
- a reduction in work hours

you and your covered dependents may be able to continue the group coverage at your own expense for up to 18 months. Your employer is required to notify the Plan Administrator within 30 days of the loss of coverage. The Plan Administrator will send the Qualified Beneficiaries a COBRA notification within 14 days after receiving notice from the employer. If the employer and Plan Administrator are the same entity, the COBRA notification will be sent within 44 days of the date of the loss of coverage.

Disability – If a Qualified Beneficiary is determined by the Social Security Administration to have been disabled any time during the first 60 days of COBRA continuation coverage, the COBRA coverage period for the disabled individual and his or her related beneficiaries may be extended to 29 months instead of 18 months when loss of coverage is due to termination or reduction in hours of employment. You must provide written notice of the disability determination to the plan within 18 months of becoming eligible for COBRA and no later than 60 days after the date of the Social Security Administration's determination.

If the Social Security Administration determines that you or the dependent are no longer disabled, the extended continuation of coverage period (19th through 29th month) will be terminated the month that begins more than 30 days after the determination. You must notify the plan within 30 days of a determination that an individual is no longer disabled.

Change In Dependent Status, Divorce/Separation Or Medicare Entitlement – COBRA requires that continued coverage under the Plan be offered to your covered spouse and eligible children if they would otherwise lose coverage as a result of:

- divorce or legal separation;
- a child losing dependent status, or
- the employee becoming entitled to Medicare.

When one of these circumstances occur, you or the dependent are obligated to notify the employer or Plan Administrator within 60 days. Failure to provide timely and proper notice may result in the loss of the right to COBRA.

After receiving a timely notice of such an event, your employer or the Plan Administrator will send the Qualified Beneficiary an election form and the information needed to apply for coverage, if eligible, within 14 days of the date the notice is received. Coverage may be continued at the individual's expense for up to 36 months.

Your Death – If you should die while you are covered under this Group Dental Plan, continued coverage is available to your spouse and Eligible Dependents.

COBRA provides that subject to certain limitations, your surviving spouse and children may continue the group dental coverage at their own expense for up to 36 months. Federal law requires your Plan Administrator to send the surviving family members instructions as to how to apply for continued coverage if they are eligible.

Special Provisions — If an employer files Chapter 11 bankruptcy, special provisions regarding COBRA continuation coverage may apply for a retiree or deceased retiree's surviving spouse and dependent children. Please check with your employer for details.

Electing COBRA Coverage

Qualified Beneficiaries will be sent a written notice of the right to continue health coverage and an election form(s).

Reminder: *In the case of a divorce or legal separation, or if a child loses dependent status, you must notify your employer or plan administrator of this Qualifying Event within 60 days. Failure to provide timely and proper notice may result in the loss of the right to COBRA coverage.*

Qualified Beneficiaries must complete and return the COBRA election form in order to continue coverage. The notice will include instructions for completing and returning the form. The election form must be received by the later of:

- 60 days after the day health coverage would otherwise end, or
- 60 days after the notice is sent to you by the employer or Plan Administrator.

COBRA continuation coverage may only begin on the day after coverage under the group plan would otherwise end. The required premium, including any retroactive premium, must be paid from the day coverage would have otherwise ended. The initial premium must be paid within 45 days after the day continued coverage is elected. Succeeding premiums must be paid monthly within 30 days of the premium due date. The COBRA notice and election form will inform you or your

dependents of the monthly premium amount, and to whom such premium should be paid.

Second Qualifying Event — In the event your family experiences a second Qualifying Event while receiving an 18-month period of COBRA coverage (or the extended 29-month period), your covered spouse and dependents are eligible to extend the original COBRA coverage period to a maximum of 36 months if notice of the second event is properly given to the Plan Administrator. This extension may be available to the spouse and children receiving continuation coverage if: a) you die, b) you become entitled to Medicare, c) you get divorced or legally separated, or d) the dependent child is no longer eligible as a dependent, but only if the second event would have caused the spouse or child to lose coverage under the plan had the first Qualifying Event not occurred. In all of these cases, you or the dependent must notify the Plan Administrator, in writing, within 60 days of the second Qualifying Event. Failure to provide timely and proper notice may result in the loss of the right to extend COBRA coverage.

Termination Of COBRA Coverage

A Qualified Beneficiary's COBRA continuation coverage may be terminated at midnight on the earliest of:

- the day your employer ceases to provide any Group Dental Plan to any employee;
- the day the premium is due and unpaid;
- the day the individual first becomes covered under any other Group Dental Plan (after the COBRA election);
- the day the individual again becomes covered as an employee or dependent under the policy;
- the day an insured person becomes entitled to benefits under Medicare (after COBRA election); or
- the day dental insurance has been continued for the maximum period of time allowed (18, 29 or 36 months).

NOTE: *In the event more than one continuous provision applies, the periods of continued coverage may run concurrently, but never for more than 36 months.*

Uniformed Service Employment And Reemployment Rights (Military Leave)

The Uniformed Services employment and Reemployment Rights Act of 1994 (USERRA) requires that continued coverage under an employer group plan be offered to an employee and covered dependents if coverage would otherwise be lost due to military leave.

Continuation of Group Health Coverage

If coverage under your employer group plan ends because of service in the uniformed services, you may elect to continue coverage yourself and your covered dependents, until the earlier of:

- 24 consecutive months from the date active duty began; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You are responsible for payment of the required premium to continue coverage. If the leave for military service is less than 31 days, your required premium is the standard employee share of the applicable premium. For a leave in excess of 30 days the required premium shall be no more than 102% of the total premium applicable for your membership option. Your employer will inform you of the amount and procedure for payment of premiums.

A Covered Person's continued coverage under these USERRA provisions will end at midnight on the earliest of:

- the day the employer ceases to provide any group plan for its employee,
- the day the premium is due and unpaid,
- the day a Covered Person again becomes covered under the plan,
- the day coverage has been continued for the period of time stated in the previous paragraph above.

Reemployment

Following service in the uniformed services, an employee may be eligible to apply for reemployment with the employer in accordance with USERRA. Such reemployment includes the right to reenroll for group coverage provided by the employer with no new waiting periods imposed.

Please contact your Human Resource Department for further information with regard to your rights under USERRA.

Continuation Of Coverage For Children To Age 30

You may elect to continue coverage to age 30 for a dependent who would otherwise lose coverage when he or she meets the plan's limiting age provided that the child was covered as an Eligible Dependent at the time such coverage would have terminated.

In order to elect continuation coverage, you must request an election form from BCBSNE. The completed form must be returned no sooner than 31 days prior to or no later than 31 days after the date on which the child would otherwise lose coverage. You should also notify your employer of your decision to continue coverage for your child.

Payment For Continuation Coverage

The premium for continuation coverage will be equal to the full, unsubsidized single adult premium. You are responsible for paying the full premium each month. The first month's premium must be paid to the Group through which your coverage is provided no later than 31 days after the date the child's coverage would have terminated.

Termination of Continuation Coverage

Continuation coverage will terminate if:

- we do not receive the monthly payment on a timely basis;
- you request coverage to be terminated;
- your coverage with Blue Cross and Blue Shield of Nebraska terminates;
- the covered child:
 - marries;
 - is no longer a resident of Nebraska;
 - receives coverage under another health benefit plan or self-funded employee benefit plan; or
 - attains age 30.

Continuation coverage will terminate at the end of the month in which any event listed above occurs. Coverage may not be reinstated once it has been terminated.

GENERAL LEGAL PROVISIONS

Section 9

Benefit Plan Document

This document provides an overview of your benefits. It is not intended to be a complete description of every detail of the Plan. All coverage and benefit determinations are governed by the Benefit Plan Document, which consists of the Administrative Services Agreement, this SPD, and other documents entered into between the Group and BCBSNE.

Fraud Or Misrepresentation

A Covered Person's coverage may be canceled or rescinded for fraud or intentional misrepresentation of a material fact about a claim or eligibility for this coverage.

If coverage is rescinded, the amount of premium paid will be reduced by any benefits that were paid, and will be refunded. If benefits paid exceed premiums, received, BCBSNE may recover the difference.

Contracting Providers

BCBSNE does not engage in the practice of medicine and all Contracting Providers provide Services under the terms of the Plan as independent practitioners of the healing arts. Such providers are not employees or agents of BCBSNE, or the On-site Plan, and BCBSNE will not be liable for any act, error, or neglect of any Hospital, Physician, Dentist or other provider or their agent, employee, successor or assignee.

Subrogation

Subrogation is the right to recover benefits paid for Covered Services provided as the result of Injury or Illness which was caused by another person or organization. When benefits are paid under the Group Plan, the Plan shall be subrogated to all of the Covered Person's right of recovery against any person or organization to the extent of the benefits paid. The Subscriber, the Covered Person or the person who has the right to recover for a Covered Person (usually a parent or spouse), agrees to make reimbursement to the Plan if payment is received from the person who caused the Illness or Injury or from that person's liability carrier.

This subrogation shall be a first priority lien on the full or partial proceeds of any settlement, judgement or other payment recovered by or on behalf of the Covered Person, whether or not there has been full compensation for all his or her losses or as provided by applicable state law. The Plan's rights shall not be defeated by allocating the proceeds in whole or in part to nonmedical damages.

Contractual Right To Reimbursement

If a Covered Person receives full or partial proceeds from any other source for Covered Services for an Illness or Injury, the Group Plan has a contractual right of reimbursement to the extent benefits were paid under the Plan for the same Illness or Injury. This contractual right to reimbursement shall be a first priority lien against any proceeds recovered by the Covered Person, whether or not the Covered Person has been fully compensated for all his or her losses, or as provided by applicable state law.

Such proceeds may include any settlement; judgment; payments made under group auto insurance; individual or group no fault auto insurance; another person's uninsured, under insured or medical payment insurance; or proceeds otherwise paid by a third party. This contractual right to reimbursement is in addition to and separate from the subrogation right. The Plan's rights shall not be defeated by allocating the proceeds in whole or in part, to nonmedical damages.

When proceeds are recovered under this contractual right to reimbursement for all or a part of the Claim, amounts previously credited to a Covered Person's Deductible or Coinsurance liability may be removed. Future Claims will be subject to the reinstated Deductible or Coinsurance.

No adult Subscriber may assign any rights to recover medical expenses from any third party to any minor or other dependent of the adult Subscriber or to any other person, without the express written consent of the Plan. The right to recover, whether by subrogation or reimbursement, shall apply to settlements or recoveries of deceased persons, minor dependents of a Subscriber, incompetent or disabled Subscribers, or their incompetent or disabled Eligible Dependents.

The Subscriber agrees to fully cooperate and assist in any way necessary to recover such payments, including but not limited to notifying BCBSNE of a claim or lawsuit filed on his or her behalf or on behalf of any Eligible Dependent for an Injury or Illness. The Subscriber, Eligible Dependent or an authorized representative shall contact BCBSNE prior to settling any claim or lawsuit to obtain an updated itemization of the subrogation Claim or reimbursement amount due. Upon receiving any proceeds, the Subscriber, Eligible Dependent or an authorized representative must hold such proceeds in trust until such time as the proceeds can be transferred to the Plan. The party holding the funds that rightfully belong to the Plan shall not interrupt or prejudice its recovery of such payments.

Costs incurred in enforcing these provisions shall also be recovered, including, but not limited to, attorneys' fees, litigation and court costs and other expenses.

Workers' Compensation

Benefits are not available for Services provided for Injuries or Illnesses arising out of and in the course of employment whether or not the Covered Person fails to assert or waives his or her right to Workers' Compensation or Employer Liability Law. The employer is required to furnish or pay for such Services or a settlement can be made, pursuant to Workers' Compensation laws. (See also the section of this book titled "Exclusions — What's Not Covered")

If a Covered Person enters into a lump-sum settlement which include compensation for past or future dental expenses for an Injury or Illness, payment will not be made under the Group Dental Plan for Services related to that Injury or Illness.

Benefits are not payable for services determined to be not compensable due to noncompliance with terms, rules and conditions under Workers' Compensation laws, or in a Certified or otherwise Licensed Workers' Compensation Managed Care Plan. In addition, benefits are not payable for Services that are related to the work Injury or Illness, but are determined to be not necessary or reasonable by the employer or Workers' Compensation carrier.

In certain instances, benefits for such Services are paid in error under the group plan. If payment is received by the Covered Person for such Services, reimbursement must be made. This reimbursement may be refunded from any recovery made from the employer, or the employer's Workers' Compensation carrier, as permitted by law. Reimbursement must be made directly by the Subscriber when benefits are paid in error due to his or her failure to comply with the terms, rules and conditions of Workers' Compensation laws or a Certified or Licensed Workers' Compensation Managed Care Plan.

The quality of the body of studies and the consistency of the results are considered in evaluating the evidence.

The evidence should demonstrate that the technology can measure or alter the physiological changes related to a disease, Injury, Illness or condition. In addition there should be evidence based on established medical facts that such measurement or alteration affects the health outcomes.

Opinions and evaluations by national medical associations, consensus panels or other technology evaluation bodies are evaluated according to the scientific quality of the supporting evidence and rationale. Our evidence includes, but is not limited to: Blue Cross and Blue Shield Association Technology Evaluation Center technology evaluations; Hayes Directory of New Medical Technologies' Status; Centers for Medicare and Medicaid Services (CMS) Technology Assessments and United States Food and Drug Administration (FDA) approvals.

3. The technology must improve the net health outcome.
