

# Schedule of Benefits Summary

Group Name: University Of Nebraska

Effective Date: January 01, 2025

Payment for Services	Tier I Enhanced Network Provider	Tier II In-Network	Tier III Out-of-Network Provider
<p>Covered Services are reimbursed based on the Allowable Charge. Blue Cross and Blue Shield of Nebraska In-network Providers have agreed to accept the benefit payment as payment in full, not including Deductible, Coinsurance and/or Copayment amounts and any charges for non-covered Services, which are the Covered Person's responsibility. That means In-network providers, under the terms of their contract with Blue Cross and Blue Shield, can't bill for amounts over the Contracted Amount. In some situations, Out-of-network Providers can bill for amounts over the Out-of-network Allowance. Cost-sharing and reimbursement amounts for categories showing "Same as any other illness" may vary based on where services are rendered.</p>			
<p><b>Enhanced Network benefits are available when a Covered Person under this Plan receives Covered Services from an Enhanced Network Tier Provider. Not all Covered Services shown on this document are available from a Enhanced Network Provider. Tier II providers are shown on your I.D. card. For help in locating In-network Providers, visit <a href="http://NebraskaBlue.com/Find-A-Doctor">NebraskaBlue.com/Find-A-Doctor</a></b> For certain Durable Medical Equipment, Independent Laboratory and Specialty Drug Services, the Doctor Finder may display providers that are considered Out-of-network for these types of Services. Please refer to your benefit book for additional information.</p>

<p>In-network and Out-of-network Deductible and Out-of-pocket Limits cross accumulate. All other limits (days, visits, sessions, dollar amounts, etc.) do cross accumulate between In-network and Out-of-network, unless noted differently. Day, session or visit limits for certain services shown on this summary are not applicable to Mental Health and/or Substance Use Disorders. Once the annual Out-of-pocket Limit is reached, most Covered Services are payable by the plan at 100% for the rest of the Calendar Year.</p>			
<p>*Embedded – If you have single coverage, you only need to satisfy the individual Deductible and Out-of-pocket Limit amounts. If you have family coverage, no one family member contributes more than the individual amount. Family members may combine their covered expenses to satisfy the required family Deductible and Out-of-pocket amounts.</p>			
<p><b>Copayment(s) (copay(s)) apply to:</b></p> <ul style="list-style-type: none"> <li>This plan has no medical or prescription drug copays</li> </ul> <p>The Copay amount varies by the type of Covered Services. Refer to the appropriate category for benefit information.</p>
