Benefits for you and your family

Your pursuit of being your best self begins with choosing coverage that benefits your life. With all the options we offer, you can choose the right benefits to meet your needs.

From taking care of your health and well-being to having peace of mind that you're financially protected, we offer comprehensive plans. Some, such as the medical plan, cover a range of services. Others, such as the voluntary benefits, supplement your coverage needs.

Flip through this guide to see the benefits of working at CommonSpirit Health.

What You Need to Know

New to CommonSpirit Health? Had a change in your life? Preparing for Annual Benefit Enrollment? Act quickly so you're covered.

If you're new to CommonSpirit Health or you need to change your benefits because of a qualifying life event, **you have 31 days** from your hire date or life event to enroll in or change your coverage. Please don't miss this opportunity so you and your family have the benefits that you need.

Make your elections online at **EmployeeCentral > MyBenefits > Manage My Benefits**. **MyBenefits found on EmployeeCentral** are available 24/7, providing information for you to learn about your benefit options.

If you have trouble enrolling, contact the CommonSpirit Health Benefits Contact Center at 855.475.4747, select Option 1, Open Monday – Friday 6 a.m. – 5 p.m. PT.

Watch for Annual Benefit Enrollment each fall

This is your only chance each year to change your benefits coverage unless you have a qualifying life event. You will receive information about Annual Benefit Enrollment as it approaches.

If your life changes, your benefits can change, too

If you have a job status change or a life event, such as a marriage, you can change some benefits and add your new spouse within 31 days after the life event. When the life event includes the birth or adoption of a child, you can make benefit changes and add the child within 60 days after the event.

For the qualifying life event policy, go to EmployeeCentral > Find an answer > Keyword: Life Events Policy. You can also call the CommonSpirit Health Benefits Contact Center at 855.475.4747, select Option 1.

Don't forget: Name a beneficiary...and keep it updated

- Retirement savings plans — go to **NetBenefits.com/atwork**
- Life insurance — go to **EmployeeCentral > My Benefits**
- Health savings account — go to **healthequity.com/ed/chi**

We are paperless!

You can access your summary plan descriptions and annual legal notices online:

- Retirement savings plans — go to **NetBenefits.com/atwork**
- Health and welfare plans — **EmployeeCentral > MyBenefits > Benefit Resources > Plan Information**

Who's Eligible for Benefits?

Great benefits await you and your family.

Read below to find out which benefits you're eligible for and when coverage begins.

Employees

- **Full-time employees** regularly scheduled to work 64+ hours per two-week pay period:
 - Eligible for all benefits
- **Part-time employees** regularly scheduled to work 40+ hours per two-week pay period:
 - Eligible for all benefits except the long-term disability plan

Family members

You can enroll family members who qualify:

- One adult family member: Your spouse or a legally domiciled adult (LDA)*
- Dependent children up to age 26
- Disabled children of any age who are unmarried and financially dependent on you and were covered by this plan or other group medical coverage as a disabled dependent prior to reaching age 26

Adding dependents?

You will need to provide documentation, such as a marriage certificate or signed legally domiciled adult (LDA)* affidavit, confirming eligibility. Unconfirmed dependents are ineligible for all benefits.

You can only purchase supplemental life insurance for you and your spouse. (LDAs are not eligible.)

* A legally domiciled adult (LDA) is an individual over age 18, unmarried, living in the same principal residence as you for at least six months and is either in an ongoing, exclusive and committed relationship with you, shares basic living expenses and is financially interdependent of you OR your blood adult relative who meets the definition of your tax dependent, as defined by the IRS.

You have options for your care

We offer three medical plan options to all employees:

- Integrated Health Plan Select
- Integrated High Deductible Health Plan/Health Savings Account (HDHP/HSA) Select
- Direct Primary Care (DPC) Plan Select

All options have two levels of coverage based on the provider you choose for services:

- **Enhanced network:** The enhanced network includes our facilities throughout the country that have partnered with local doctors to create what we call clinically integrated networks, or CIN. You will receive the highest level of benefits if you see a CIN provider.
- **Out-of-network:** Providers who are not in our CIN or the Blueprint Health Network are considered out-of-network providers. You may see an out-of-network provider, but you may pay more out of pocket because there is no contracted rate for these providers.

Comparing the three plan options

- All options cover preventive care at 100%.
- For most other services, you pay a percentage of the cost and then the plan pays its portion. For some services, you have to meet the deductible before the plan starts to pay.
- Except for the Direct Primary Care (DPC) Plan Select primary care physicians, all options have the same networks of doctors, hospitals and facilities.
- Pharmacy copays and coinsurance are the same for all options, but the medical deductible applies to pharmacy coverage in the HDHP/HSA option only. Once you meet the HDHP/HSA deductible, the plan helps cover your prescription costs. You pay only the copay or coinsurance amounts.
- A health savings account (HSA) is available with the HDHP/HSA option. You can save money toward current or future health care expenses. If interested, go to the Spending Account section to learn more about the HSA.

The following shows the enhanced network benefit levels and your costs. For out-of-network coverage, see the Medical Plan Charts on **MyBenefits found on EmployeeCentral**.

A note about Highly Compensated Employee (HCE) rates

Highly Compensated Employee (HCE) is defined as any employee earning \$202,500 or above in annual base pay. All physicians are defined as HCEs.

All medical options have the same prescription drug copays and coinsurance.

They differ in how the deductible works for pharmacy.

- If you have the **Integrated Health Plan Select** or **DPC Plan Select**, you will pay the copays and coinsurance even if you have not met your medical plan deductible.
- If you have the **Integrated HDHP/HSA Select**, you will pay the full cost of prescription drugs until you meet the medical plan deductible. The cost of your prescriptions applies to the deductible.

All copays and coinsurance apply to the medical plan enhanced out-of-pocket maximum.

PRESCRIPTION LEVELS

The amounts listed in this chart are the amounts you will pay for prescriptions.

| | Generic | Preferred Brand Formulary | Non-Preferred Brand Non-Formulary |
|---|---------------|--|---|
| Note: The medical plan deductible is the amount you pay for certain covered services before the plan begins to pay its share. If you have the Integrated HDHP/HSA Select, you will pay the full cost of your prescription drugs until you meet the medical plan deductible. | | | |
| CommonSpirit Health Pharmacy (if available) | | | |
| Retail 30-day Prescription | \$5 copay | 15% coinsurance (\$20 min/\$55 max) | 25% coinsurance (\$32.50 min/\$80 max) |
| Home Delivery 90-day Prescription | \$12.50 copay | 15% coinsurance (\$50 min/\$87.50 max) | 25% coinsurance (\$80 min/\$162.50 max) |
| OptumRx Pharmacy Network | | | |
| Retail 30-day Prescription | \$10 copay | 30% coinsurance (\$40 min/\$110 max) | 50% coinsurance (\$65 min/\$160 max) |

Please note:

- If you fill a brand-name prescription when there is a generic equivalent available, you will pay the brand-name prescription coinsurance plus the difference between the generic and brand-name amount.
- Maintenance prescriptions, such as blood pressure medication, must be filled using the CommonSpirit Health Home Delivery pharmacy or a CommonSpirit Health Pharmacy. You can fill a new maintenance medication prescription up to three times at a retail pharmacy before you are required to use CommonSpirit Health Home Delivery or a CommonSpirit Health Pharmacy. The Home Delivery pharmacy requirement for maintenance medications does not apply to employees who work at St. Mary's Community Hospital in Nebraska City, CHI Health Schuyler, CHI Health Corning, CHI Health Missouri Valley or CHI Health Plainview.

*The HSA debit card is separate from the debit card issued for other spending accounts.

A note about MyWellness dollars

When you take part in the MyWellness Program, you can earn incentive dollars for making healthy choices. If you enroll in the HDHP/HSA medical plan, you can choose to have your incentive dollars deposited into your HSA. If you enroll in our other medical plan, you can choose to have your incentive dollars deposited into a health incentive account. You can then use this money toward eligible health care expenses similar to an FSA. **The money in a Health Incentive Account (HIA) will roll over year-to-year as long as you remain enrolled in the medical plan and have a balance of \$2.00 or more in the account. Accounts with balances less than \$2.00 will no longer be rolled over.**

Spending Accounts

Administered By:

HealthEquity

healthequity.com/ed/chi

866.212.4634

There are limits to the amount you can contribute

The IRS limits the amount that can be contributed to spending accounts. For HSAs, all contributions combined — yours, ours and any wellness incentive dollars you may receive — count toward these limits. You should consider all contributions when electing the amount you want to contribute so you do not go over the annual IRS limits to your HSA.

Employees age 65 or turning age 65 next year

You are not eligible to contribute to an HSA if you enroll in Medicare. If you have funds in an existing HSA, you may still use the funds to pay for eligible expenses for you or your dependents. If you are not yet age 65 but your spouse is, you may contribute up to the individual limit in the HSA.

Special notes for Annual Benefit Enrollment

- You have to take action and enroll every year to contribute to an FSA.
- Current HSA contribution election will carry over.
- If you enroll in the Integrated HDHP/HSA medical plan for next year and you currently have a health care FSA, use all the money in your FSA by December 31. If you have an FSA balance on January 1, you will not be able to access the funds in your HSA until the middle of April.
- If you are enrolled in the HDHP/HSA medical plan, and are not eligible for a HSA (e.g. you are enrolled in Medicare or your spouse has a healthcare FSA), you may elect a healthcare FSA and you will not receive the employer HSA contribution.

Convenience of one debit card for multiple accounts

Because some spending accounts share the same HealthEquity debit card and funds either roll over year-after-year (HSA and Health Incentive Account) or are forfeited at the end of the year (FSAs and Health Care Assistance Program), HealthEquity applies expenses to your spending accounts in the following order:

- Health Care Assistance Program*
- Health Care FSA
- Health Incentive Account (if applicable)

The HSA has its own debit card.

* The Health Care Assistance Program can help cover some of your medical bills if you are a full-time employee who meets household income requirements. Visit **MyBenefits found on EmployeeCentral** to find out more, including how and when to apply.

Important to know

- When you use your spending account debit card for an expense, the IRS requires that you submit proof, such as a receipt or itemized bill, to HealthEquity to verify the purchase is a qualified expense. (The process is referred to as substantiation.)
- If you fail to submit proof to HealthEquity, they will suspend/turn off your spending account debit card (excludes the health savings account card). Your card will be reactivated when you later submit proof.
- If you fail to submit proof by the final deadline for the year, CommonSpirit will consider your unsubstantiated expenses as taxable income and take the applicable taxes from your paycheck the following year.
- It's important you save all receipts and itemized bills.

For detailed information about the card suspension process, visit **MyBenefits found on EmployeeCentral**.

Life Insurance Plans

Life and Accidental Death and Dismemberment (AD&D) Insurance Business Travel Accident Insurance

In the event something happens to you, we provide:

- **Employee basic life and AD&D:** One times your base pay, up to \$750,000
- **Business travel accident:** Three times your base pay, up to \$750,000

You can purchase additional life and AD&D for you and your family:

- **You:** Increments of \$10,000, up to \$750,000 (combined basic and supplemental life)
- **Spouse:** Increments of \$10,000, up to \$200,000 (coverage over \$50,000 requires proof of good health, known as evidence of insurability)
- **Children:** Increments of \$2,000, up to \$20,000

Newly eligible? This is the best time to enroll! You can select coverage for yourself up to three times your base pay or \$500,000 (whichever is less) without needing proof of good health (evidence of insurability).

After your initial eligibility, you will have to provide proof of good health (evidence of insurability) to be approved for additional coverage for yourself or your spouse.

Disability Plans

Short-Term Disability

If you become ill or injured and are unable to work your regularly scheduled hours, short-term disability may replace 60% of your income for up to 26 weeks. Benefits begin after a seven consecutive day elimination period.

Long-Term Disability

Long-term disability may provide a monthly benefit if, after 26 weeks, you're still unable to work due to illness or injury. You'll receive monthly payments equal to 60% of your base pay, up to a maximum of \$10,000 per month.

Long-term disability doesn't pay benefits for a pre-existing condition if:

- You received medical treatment for that condition within three months of your coverage starting
- The condition causes a disability within 12 months after your coverage begins

Time Off

Vacation, Personal Time, Holidays

We have three time-off categories:

- **Vacation** — Will be accrued based on your years of service and your position. You can use vacation time for an actual vacation, or any other reason you need time away from work. The maximum amount of vacation time that you are able to hold at any given time will be 125% of your annual vacation hours.
- **Personal time** — 24 or 32 hours annually, depending on location (please refer to your policy). Personal time will be prorated and provided based on your full-time equivalent status in the beginning of the year. These hours can be used when you are sick or need time away from work to attend to personal matters. Personal time will be forfeited at the end of the year if you do not use it all by December 31.
- **Holidays** — 48 or 56 hours annually, depending on location (please refer to your policy). Holiday hours are prorated based on your full-time equivalent status. You will receive holiday hours a few weeks prior to the holiday.

You can view the complete vacation, personal time and holiday policy by logging on to **EmployeeCentral**.

Retirement Program

401(k) Retirement Savings Plan

Administered By:
Fidelity Investments
netbenefits.com/atwork
800.343.0860

We designed the 401(k) Retirement Savings Plan (the “401(k) Plan”) with your security and flexibility in mind. You have options in how you choose to save for your retirement:

- **Before-tax contributions** — You put off paying taxes until you withdraw your account balance at retirement.
- **Roth after-tax contributions** — You pay taxes now and have your earnings grow tax deferred. Withdrawals are tax-free at retirement for qualified distributions.

You choose if you want to make before-tax or Roth after-tax contributions, or both!

The IRS limits the amount that may be contributed to your account each year.

If you forget to enroll, we’ll remember for you!

The 401(k) Plan is one of your most important benefits. So, we’ll automatically enroll you in the Plan at a 4% before-tax contribution rate. Remembering to increase your contributions each year is also important. So, we’ll automatically increase yours by 1% annually, up to a maximum of 10%. You may choose to opt out of the Plan, increase or decrease your contributions or opt out of the annual auto increase feature at any time.

Our Company Match

After you’ve worked 1,000 paid hours in your first year (or any calendar year thereafter), we’ll start to match your before-tax and Roth after-tax contributions with each payroll.

Our match equals:

100% on the first 1% of eligible pay you contribute

plus

50% on the next 5% of eligible pay you contribute

= 3.5% of eligible pay deposited into your account

Consider contributing at least 6% to receive the full company match

Compensation you earn and contributions you make to the Plan prior to working 1,000 paid hours are not eligible for the company match. This includes the year-end match true-up.

We’ll help you save even more

Each year, we’ll make an additional contribution to your 401(k) Plan account equal to 2.5% of your eligible pay (minimum contribution of \$1,000), regardless if you contribute or not.

To receive this contribution, you must be:

- Eligible for this portion of the Plan
- Paid for 1,000 retirement-eligible hours in the calendar year
- Employed on the last business day of the year

The annual employer contribution (including \$1,000 minimum) will only be paid to your account if you meet the eligibility requirements each year. The \$1,000 minimum does not apply in the year of hire, if retiring after age 65, or if transferring from a different benefit level.

Retirement Program *(continued)*

There's a waiting period before the money becomes yours.

Once you have three years of service (with at least 1,000 hours paid each calendar year), you are fully vested in the company matching contributions, annual employer contributions and any earnings on them. This means the money is fully yours.

You are always 100% vested in your own contributions to the 401(k) Plan, as well as any earnings on them.

Note: Employer contributions cannot be made on pay over the IRS compensation limit. Contact Fidelity Investments or visit [irs.gov](https://www.irs.gov) for the most up-to-date limits.

Your level of matching and annual employer contributions may vary based on your employer. Please review your specific enrollment guide or summary plan description for details.

457(b) Plan

Administered By:
Fidelity Investments
netbenefits.com/atwork
800.343.0860

To help you reach your retirement goals, we offer another way to save — the 457(b) Plan (if eligible). This is a tax-deferred savings plan where you can make additional salary deferrals over the current contributions to the 401(k) Retirement Savings Plan.

We recommend that you invest in the 457(b) Plan only after you contribute the maximum to your 401(k) Retirement Savings Plan.

Important! The 457(b) Plan is a non-qualified deferred compensation plan available to highly compensated employees whose current annualized base pay exceeds last year's compensation guidelines of \$135,000 (as defined by the IRS). Any contributions you make to this plan are assets of the corporation, subject to potential claims by creditors of the corporation in the case of insolvency.

Additional Benefit Options

Tuition Reimbursement

To help you reach your career goals, we offer tuition reimbursement so you can further your education or learn new skills that will help you in your current position or prepare for a future one with CommonSpirit.

For more information, visit **EmployeeCentral**.

Adoption Assistance

If you're considering adoption, we want to help by reimbursing some of the costs you pay to adopt a child.

- **Full-time and part-time employees:** up to \$4,000 (per adopted child)
