More than 85 years helping Nebraskans live their healthiest lives

Nebraskans have trusted Blue Cross and Blue Shield of Nebraska for their medical coverage for more than 85 years. The same is true when it comes to your Medicare coverage.

Our experience as the Nebraska Medicare experts is based on the fact that we're living right here in Cornhusker Country and we understand what our Nebraska neighbors are facing.

- **We know what's going on with doctors and hospitals in Nebraska.** We're working with them every day and we're also going to the same physicians to get medical care for ourselves, our kids and even our own parents.
- **We understand what worries Nebraskans about their health care** because we hear the questions every day when people call in about their coverage.
- **We see the reality of what things cost here in our state** because we're shopping at the same grocery stores and filling up our cars at the same gas stations as you.

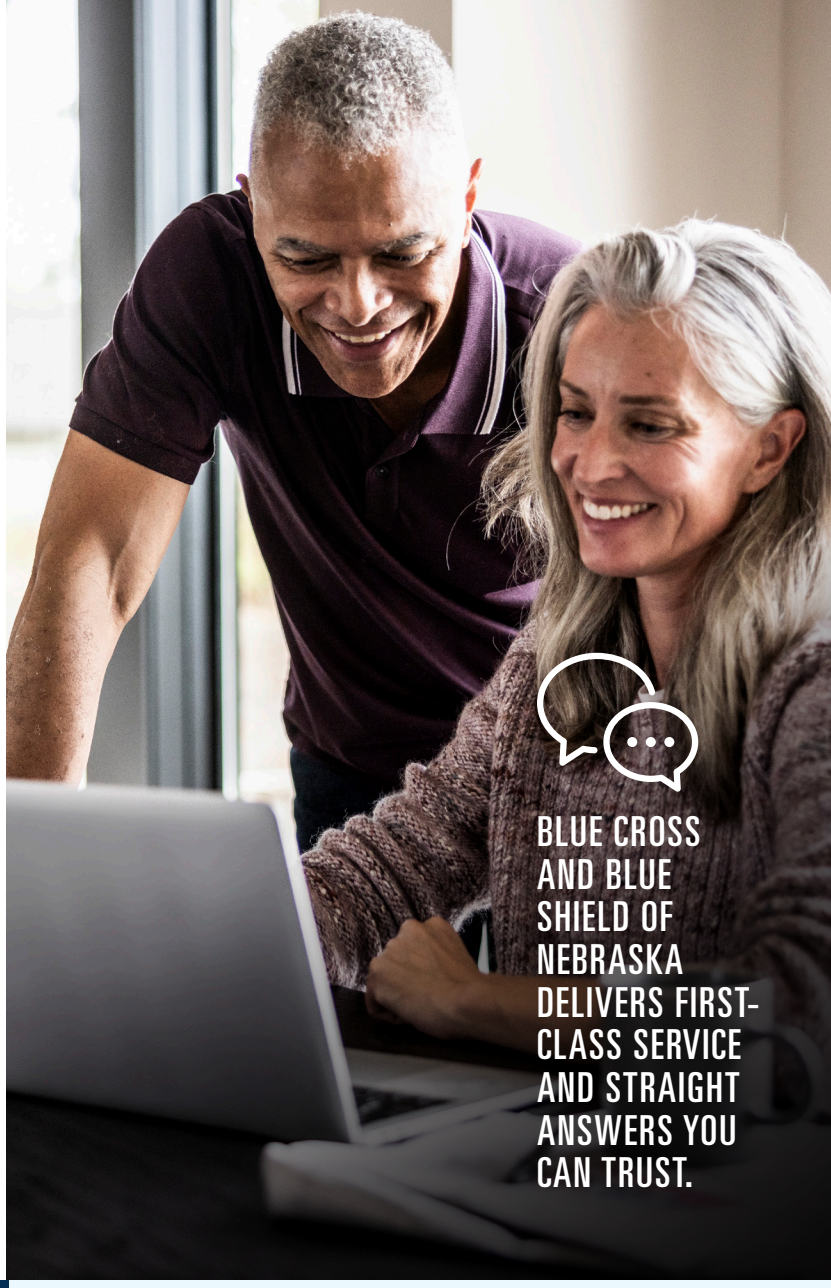

It all adds up to an unparalleled dedication to making sure our Nebraska neighbors have the Medicare coverage that fits their health AND their budget.
