MEDICARE

You chose Blue Cross and Blue Shield of Nebraska (BCBSNE) as your group health insurance provider because you care about your employees. But did you know that we also provide additional Medicare coverage? When it's time for your employees to switch from your group plan to Medicare, they don't need to change insurance companies to get additional coverage.

Employees aged 62 to 65 are actively looking for information and advice as they start thinking about the shift to Medicare. BCBSNE can support every step of their transition – our first step is to support you!

We're providing you with:

- Fliers to give to employees
- Information to use on your company benefits website or intranet
- An email template to help you announce this benefit to employees eligible for Medicare and to share upcoming informational Medicare seminars

Blue Cross and Blue Shield of Nebraska is an independent licensee of the Blue Cross and Blue Shield Association. BCBSNE is not connected with or endorsed by the United States government or the federal Medicare program. This is a solicitation of insurance and an agent may contact you. Y0139_GLInfoSheet_C
