

Intranet Content – MyBlue

Add content to your intranet site to encourage your employees to create their member account. Here are two options:

- Introduction copy that links to a flier
- Full content

Introduction with flier:

Everything you need to manage your plan in one easy place - myNebraskaBlue.com
Stay confident and in-the-know about your health care benefits all year long. Search for in-network doctors, review your claims and benefits information – and more. Review the attached flier for more information. (*note attach member flier from toolkit*)

Full content - with pharmacy:

Everything you need to manage your plan in one easy place - myNebraskaBlue.com
Easily access up-to-date information about your coverage, view your member ID card, and track your deductible and claims.

To help you get the most from your health plan, you can:

- ✓ Set your communication preferences
- ✓ Find in-network doctors and facilities
- ✓ Estimate costs for health care services
- ✓ View your pharmacy benefits
- ✓ Get additional health care support
- ✓ And more

To get started, create your online account at MyNebraskaBlue.com or download the myBlue Nebraska app for on-the-go access and monitor your coverage.
