Dear Group Leader:

Thank you for renewing with Blue Cross and Blue Shield of Nebraska (BCBSNE).

Your group's prescription drug benefits are based on a list of covered brand name and generic drugs, called a formulary or prescription drug list (PDL). **Beginning July 1, 2019, or upon your group's renewal thereafter, your group's drug list has changed from your previous list.** In the next few days, we will send the enclosed letter to your impacted employees informing them of this change.

If you have questions, please contact your insurance agent/broker or a member of your BCBSNE account management team.

Sincerely,

Blue Cross and Blue Shield of Nebraska
