## Schedule of Benefits Summary Nebraska

Group Name: League Insurance Government Health Team

Effective Date: July 01, 2025

## Payment for Services In-network Out-of-network Provider Provider

Covered Services are reimbursed based on the Allowable Charge. Blue Cross and Blue Shield of Nebraska In-network Providers have agreed to accept the benefit payment as payment in full, not including Deductible, Coinsurance and/or Copayment amounts and any charges for non-covered Services, which are the Covered Person's responsibility. That means In-network providers, under the terms of their contract with Blue Cross and Blue Shield, can't bill for amounts over the Contracted Amount. In some situations, Out-of-network Providers can bill for amounts over the Out-of-network Allowance. Cost-sharing and reimbursement amounts for categories showing "Same as any other illness" may vary based on where services are rendered.

In-network Provider: The provider network is shown on your I.D. card. For help in locating In-network Providers, visit

NebraskaBlue.com/Find-a-Doctor. For certain Durable Medical Equipment, Independent Laboratory and Specialty Drug Services, the Doctor Finder may display providers that are considered Out-of-network for these types of Services. Please refer to your benefit book for additional information.

In-network and Out-of-network Deductible and Out-of-pocket Limits are separate and do not cross accumulate. All other limits (days, visits, sessions, dollar amounts, etc.) do cross accumulate between In-network and Out-of-network, unless noted differently. Day, session or visit limits for certain services shown on this summary are not applicable to Mental Health and/or Substance Use Disorders. Once the annual Out-of-pocket Limit is reached, most Covered Services are payable by the plan at 100% for the rest of the Calendar Year.

## Copayment(s) (copay(s)) apply to:

• This plan has no medical or prescription drug copays.

The Copay amount varies by the type of Covered Services. Refer to the appropriate category for benefit information.

Services may require Preauthorization. Failure to obtain Preauthorization will result in denial of benefits. For additional information regarding Preauthorization procedures please visit NebraskaBlue.com/PreAuth.

<sup>\*</sup>Aggregate — If you have single coverage, you only need to satisfy the individual Deductible and Out-of-pocket Limit. If you have family coverage the individual amounts do not apply - the entire family Deductible must be met prior to any benefits becoming available, and the entire family Out-of-pocket must be met before cost-sharing no longer applies. Family members may combine their covered expenses to satisfy the required family Deductible and Out-of-pocket amounts
