

Expert Support for Specialty Medications

Welcome to Prime Therapeutics. We're your pharmacy benefit manager for specialty medicines. We'll help you get the medicine you need to feel better and live well.

We'd like to introduce you to AllianceRx Walgreens Prime a specialty pharmacy. They specialize in the medicines that treat your specialty condition.¹ AllianceRx Walgreens Prime offers experienced, specialty-trained pharmacists and care coordinators who understand the complexities of your condition and are available to offer you personalized one-on-one support.

What is a specialty medicine?

Specialty medicines are used to treat chronic, complex or rare conditions.

Specialty medicines may:

- Be given by infusion (intravenously), injection or taken orally
- Cost more than traditional medicines
- Have special storage and handling requirements
- Need to be taken on a strict schedule

Personalized service

You'll have a personal care team available to offer one-on-one support.

The care team will:

- Check with you before each refill² to see if your condition has changed, or if you have questions about your health
- Help arrange reliable, on-time medicine delivery
- Provide you with valuable information to help you stay on track with your therapy
- Help you manage any side effects you may feel
- Work with you to find options if you need financial assistance
