

Express Scripts® Pharmacy

Your home delivery pharmacy

Medicine when you need it.

Home delivery through Express Scripts® Pharmacy is a safe, convenient way to get your long-term medicines delivered right to your door.

At Express Scripts® Pharmacy, licensed pharmacists process orders and all medicines are shipped in tamper-evident containers and plain packaging. Home delivery can save you time – and money.

TO GET STARTED:

Log onto your member account at myNebraskaBlue.com

Select Pharmacy Benefits on the tools and resources tab

From the MyPrime home page, select Home Delivery and follow the prompts

Savings and convenience

- Free standard delivery
- Refill reminder notices by phone or email, whichever you prefer
- Optional automatic refill program for eligible prescriptions
- Time savings – no waiting in line at the pharmacy

Support and service

- 24/7 access to a team of knowledgeable pharmacists and support staff
- Multiple locations across the United States, for fast processing and dispensing
- Pharmacists check each prescription multiple times before they send it to you

A mobile app to manage your prescriptions

- Refill medications
- Track your orders
- Make payments
- Set reminders to take medicine and more
