

Blue Cross and Blue Shield of Nebraska Medicare Advantage Individual and Group 2026 Pharmacy Directory

This pharmacy directory was updated on 10/2025. For more recent information or other questions, please contact Blue Cross and Blue Shield of Nebraska Member Services at 855-457-1349 (TTY users should call 711), 24 hours a day, seven days a week, 365 days a year, or visit NebraskaBlue.com/MedicarePharmacies.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at NebraskaBlue.com/MedicarePharmacies. You may also call Member Services at 855-457-1349 (TTY/TDD users should call 711) for updated information.

Introduction: This booklet provides a list of Blue Cross and Blue Shield of Nebraska Medicare Advantage's (MA) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Blue Cross and Blue Shield of Nebraska MA's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Blue Cross and Blue Shield of Nebraska. When it refers to "plan" or "our plan," it means Blue Cross and Blue Shield of Nebraska MA.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under Blue Cross and Blue Shield of Nebraska MA only if they are filled at a network pharmacy or through our home delivery pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of October 2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network home delivery program. For more information, please contact us or see the Home Delivery section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Blue Cross and Blue Shield of Nebraska MA.

Pharmacies are listed alphabetically by city and by type of pharmacy. The types of pharmacies in this directory appear in this order:

- Home Delivery Pharmacies
- Retail Pharmacies, Including Chain Pharmacies
- Long-term Care Pharmacies
- Home Infusion Pharmacies
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies
- Specialty Pharmacies

Under each listing we also list additional pharmacy features. These features are identified on each page with the following key:

- **100** = 100-day supply. These are retail pharmacies that offer an extended (100-day) supply of medications.
- **100+SAVE** = 100-day supply with Preferred Cost Sharing. Drugs from these extended supply retail pharmacies may cost less than other pharmacies in our network.
- **24HR** = Pharmacy is open 24-hours.
- **eRX** = Pharmacy accepts electronic prescriptions from prescribers.

Home Delivery

You can get prescription drugs shipped to your home through our network home delivery program.

For refills of your home delivery prescriptions, please contact us 10 to 20 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 5-8 business days from the time that the home delivery pharmacy receives the order. If you do not receive your prescription drug(s) within this time,

please contact us at numbers below (TTY users: 711) 24 hours a day, seven days a week, or visit the pharmacy website.
