

BCBSNE ID Cards

BCBSNE provider networks

BCBSNE health care plans for groups and individuals under age 65 use one of these provider networks:

- NNetwork BLUE
- Blueprint Health
- Premier Select BlueChoice (two-tier)

Blueprint Health is the newest network to be introduced.

Below is a visual guide to the member ID cards. This outlines how you can determine if you are an in-network or out-of-network provider and which tier applies to you.

Commercial product networks

These are BCBSNE's standard networks. These networks apply to all BCBSNE health care plans for employer groups and individuals under age 65.

➤ **Select BlueChoice** is tied to a three-tier product. There are two in-network tiers of benefits and one out-of-network tier.

➤ How do I know if I am in-network?

If you have a Select BlueChoice provider addendum with BCBSNE, you are an in-network Tier I provider.

If you have only a NEtwork BLUE provider agreement with BCBSNE, you are an in-network Tier II provider.

➤ How do I know if I am out-of-network?

If you do not have both a NEtwork BLUE provider agreement or a Select BlueChoice provider addendum with BCBSNE, you are an out-of-network provider.

Custom ID card

There are times when a group will want its name listed on the ID card. In those situations you will need to look below the group name to see which network the group is using. In this example, ABC Company is using the Premier Select BlueChoice network.
